Tips:

- * Make specific searches for work online using Job search engines
- * Follow instructions carefully
- * Select job location and job title
- * Have resume and cover letter prepared
- * Go to local places of employment and drop off a resume and cover letter
- * Seek career fairs and company recruiters
- * Make sure you stay positive and focused on your job search. It may be tough, but hard work is the key to finding a job
- * Apply For Benefits: Food Assistance, Health Coverage, Income Support, Child Support and Build Your Future
